

Senior Captains Report AGM 2020

Good morning all

What a frustrating year it has been for us all with Covid shutting the course down in March and again last week. In the words of our Queen it has been the golfers "annus horribillis" It is very sad news about Alex having to resign his captaincy due to health problems. I am sure that along with me you all wish him well for the future and hope to see him back playing golf in the near future.

Because of Covid all friendly fixtures were cancelled apart from one which was played . away at Caister on September 21st. We managed to glean two half points to lose 5-1. Next year we have 27 fixtures as well as the usual competitions.

Unfortunately the winter league has been cancelled but hopefully it will be reinstated for next winter.

It was very encouraging that there were plenty of entries in the competitions that were played, long may it continue.

Competition results winners

Singles k.o. John Castell

Pairs k.o. Geoff Rouse & Jess Steele

Singles medal Barry Needham

I was a bit apprehensive about taking over the captaincy mid season, but with help and advice from Allan and my vice captain Mick, I think that the competitions that were played went without a hitch. I'd like to thank Mick for organising the 3 clubs and a putter competition while I was self isolating after my holiday. It was won by John Ford with 49 points!!

For me it is a great honour to be your captain. I will endeavour to carry out my duties, with help from Mick, in a professional manner with you the members at heart, but no doubt I will make mistakes along the way. I look forward to seeing you all out on the course again once this enforced lockdown is over.

Mick
